- Network Enabled Operations (NEO) Spiral 1 Demonstration

# Events Since February "All-Hands" Meeting (cont'd)

- The 3<sup>rd</sup> International Conference on Research in Air Transportation Research
- AAAE 80<sup>th</sup> Annual Conference and Exposition
- 2008 Integrated Communications Navigation and Surveillance Conference

# Senior Policy Committee Meeting

- NextGen Acceleration
- Multi-Agency NextGen Initiatives
  - Net Centric Operations
  - 4D Weather Cube
  - Integrated Surveillance
  - Safety Management System
- SPC Interest in Other Multi-Agency Efforts
  - Research Transition Teams
  - GPS

# Reorganization

- FAA announced creation of Senior Vice President for NextGen and Ops Planning within ATO
  - JPDO will report to the Senior Vice President
- JPDO continues to provide independent, multi-agency, long-term planning

# Reorganization (cont'd)

- JPDO is developing an internal reorganization plan in response to this ATO reorganization as well as the anticipated completion of the NextGen baseline plan (ConOps, EA, IWP, and Business Case) this Fall
  - JPDO will continue to maintain and build plan to drive multi-agency alignment and gap assessments
  - JPDO, however, will transition from an emphasis on broad-based planning to focusing on critical, high-leverage multi-agency issues and initiatives.
