IWP Evolution and Review Process

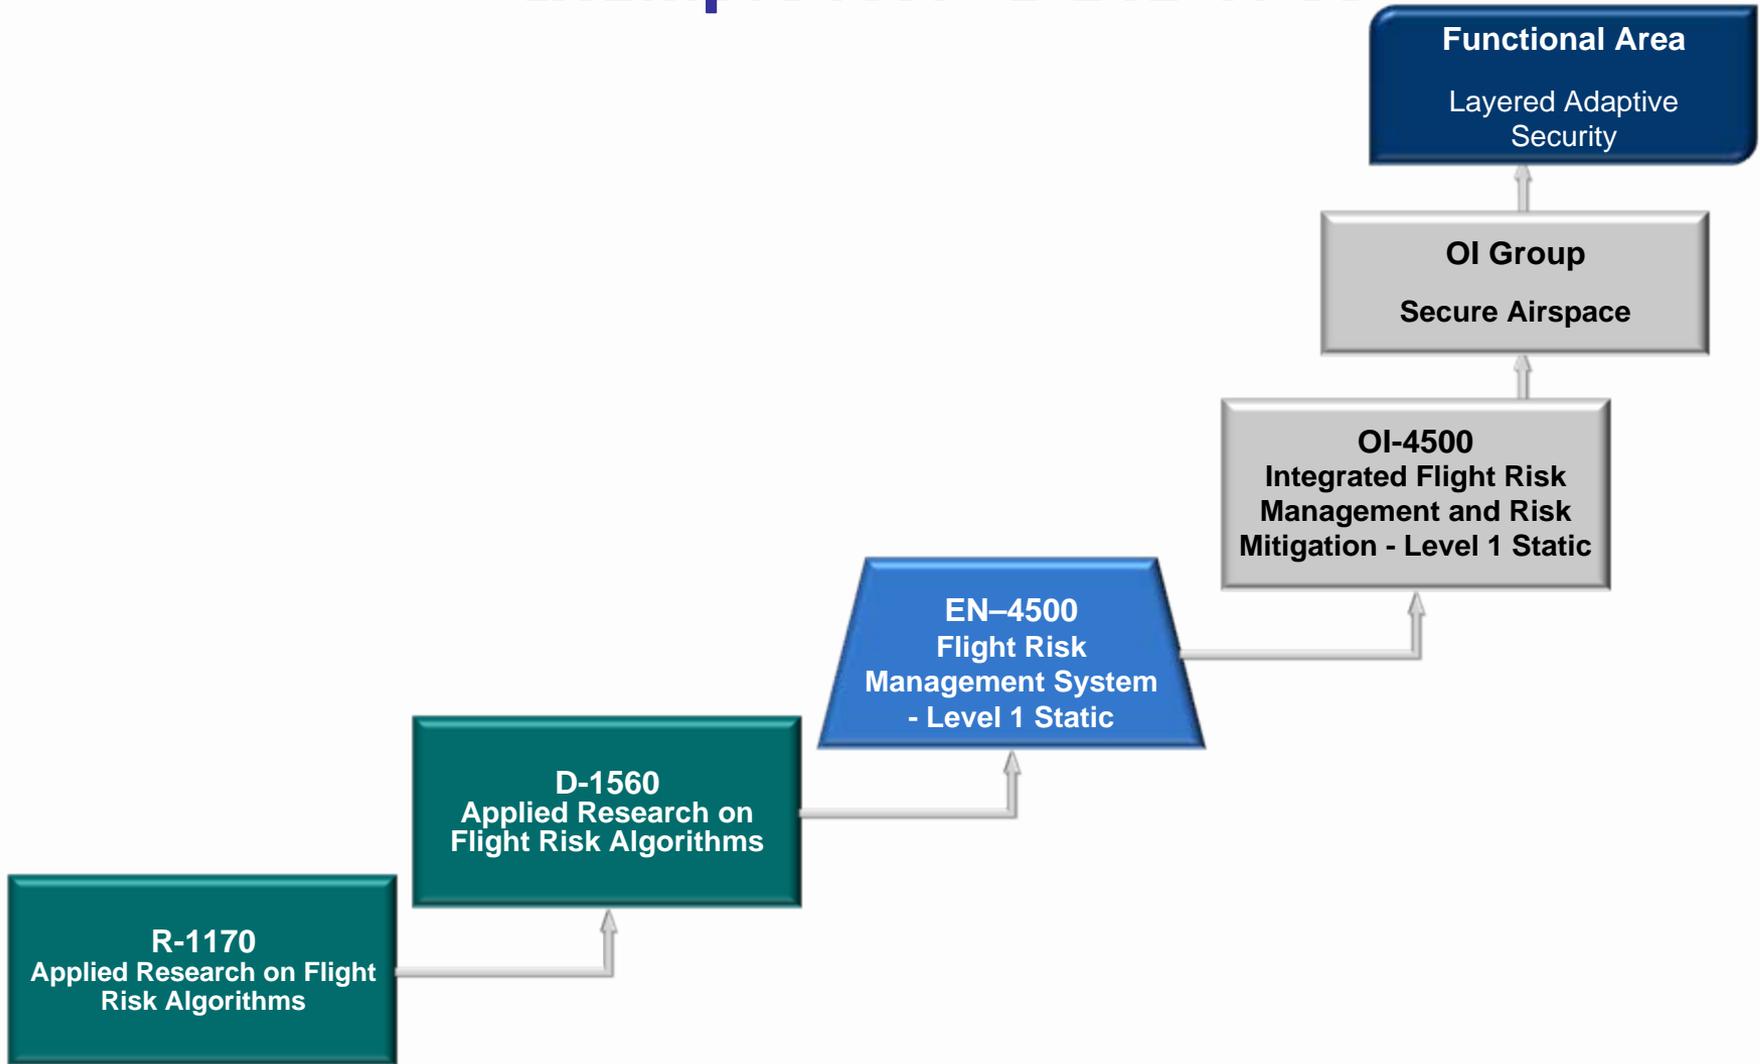

IWP Functional Areas

IWP Functional Areas

Functional Area	Operational Improvement Groups	Enabler Groups
Trajectory and Performance Based Operations and Support		
Airport Operations and Support		
Weather Information Services		
Safety Management		
Layered Adaptive Security	<ul style="list-style-type: none"> • Secure People • Secure Airports • Secure Checked Baggage • Secure Airspace • Secure Aircraft and UAS • Integrated Risk Management 	<ul style="list-style-type: none"> • Screening • Airport Security • Baggage/Cargo/Mail Security • Airspace Security • Aircraft Security • Integrated Risk Management
Environmental Management Framework		
Net-Centric Infrastructure		
Positioning, Navigations and Timing Services		
Surveillance Services		

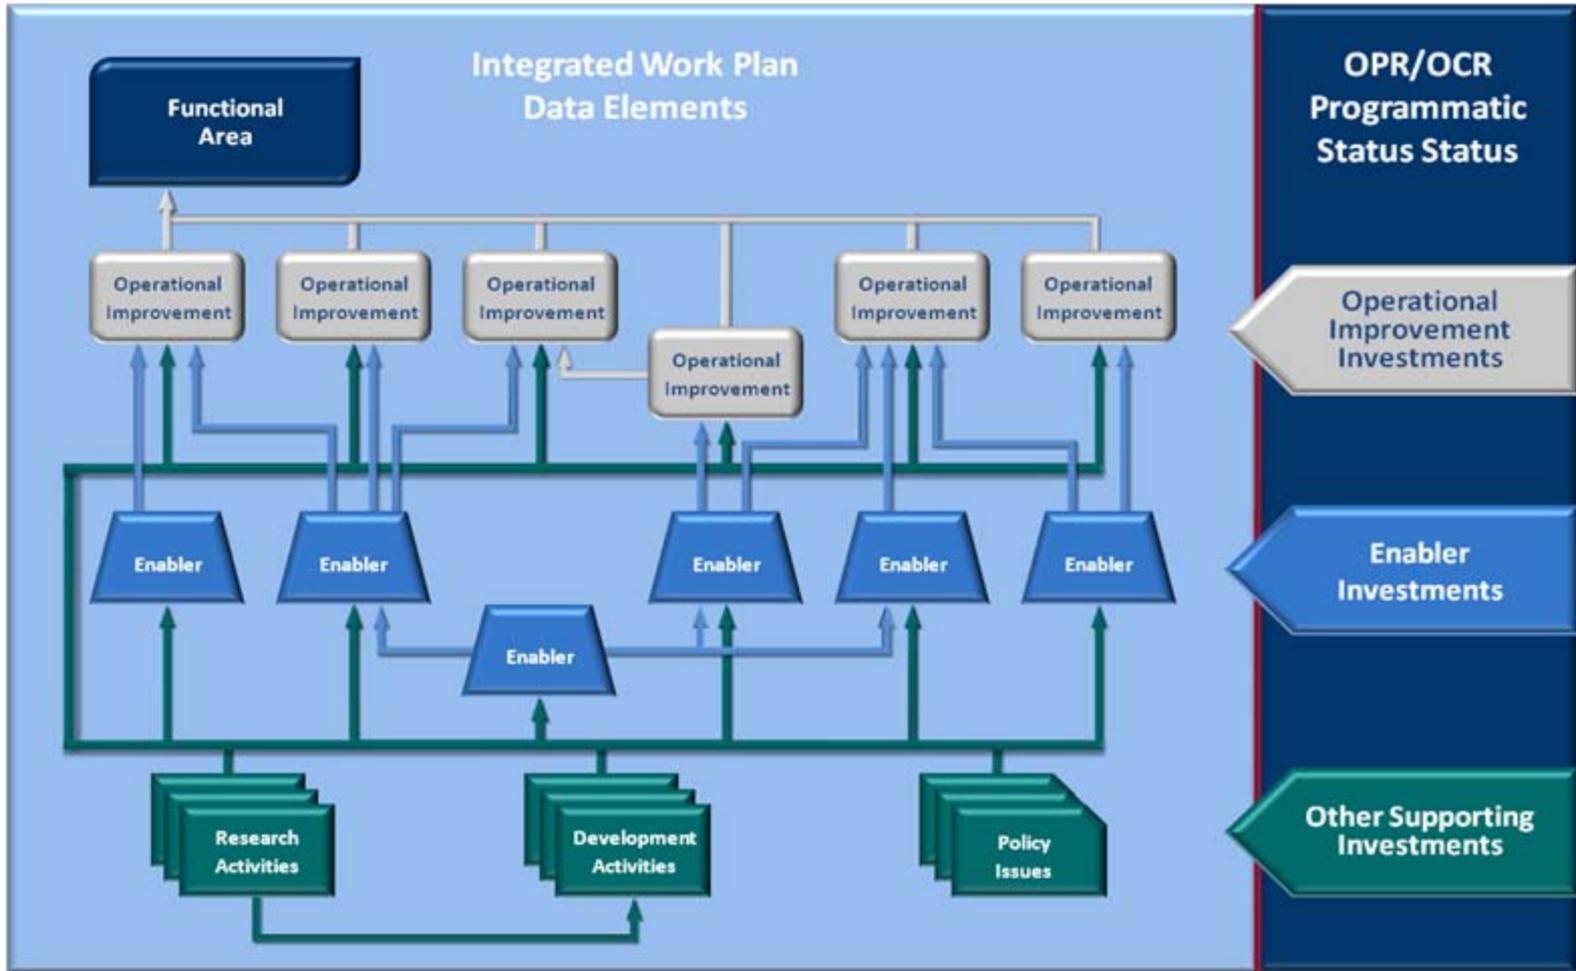

Example IWP Data Tree

IWP Data Element Information

- Title and ID
- Description
- Target Planning Date
- Suggested Organizational Alignment
- Dependencies
 - Predecessors
 - Successors

IWP Data Elements and Structure

IWP Version 1.0 Highlights

- Narrative enhanced to provide a better understanding of transition and flow of planning elements in each functional area
- Changed OPRs and OCRs to Suggested OPRs and OCRs
- Executive Summary rewritten to summarize functional components and streamline
- Moved data tables from main body and to appendices

IWP Version 1.0 Highlights (cont'd)

- Added enhanced timetables for each Enabler description
- As a first step in Functional alignment, we worked with FAA to align programs and near term NAS OIs
- Safety Chapter aligned with National Aviation Strategic Safety Plan
- Removed key decisions and investments

IWP Version 1.0 Publication

- We received comments from the majority of partner agencies and Working Groups on the draft of IWP Version 1.0
- IWP Version 1.0 is available at www.JPDO.gov as of COB September 30, 2008
- We will have a limited number of hard copies available
- We plan to have the Preface and Executive Summary bound in a document with a sleeve to hold a CD of IWP Version 1.0

Thank You
